TRADITIONAL SCHOLARSHIP PROGRAM REQUIREMENTS AND INSTRUCTIONS

1. With few exceptions (such as the Watkins First-Knox or AVPOA Scholarships), Community Foundation scholarships require applicants to reside in Knox County.
2. Applicants must be planning to attend an accredited college or university as a **full-time** student.
3. Traditional students are considered to be those enrolling in a degree program within two years of high school graduation. (**Do not** use this application to apply for the Gaunder Engineering, Hickman Medical or Purdy Veterinary Scholarships; or for adult retraining scholarships, such as the Purdy Nursing Scholarships. The "Special Scholarship Application," which can be downloaded at our website, is required for those scholarship competitions.
4. To be considered for need-based scholarships applicants must complete Section B. of this application, **including** a copy of the Student Aid Report (SAR) of the Free Application for Federal Student Aid (FAFSA) application (*see www.fafsa.ed.gov*). You may elect to omit Section B. from your application; however you will be eligible only for merit-based scholarships, which typically are awarded in lesser amounts, compared to need-based scholarships. **Note:** You are permitted to postpone submission of Section B. until April 2, if financial information is not available by the February 16 deadline.
5. To complete the PDF version of the application on your computer, simply mouse-click in the field and begin typing your information. You may also tab and shift-tab to move forward and backward through the fields. You will not be able to click or tab into fields that require a signature. Remember to print application pages immediately if you are using Acrobat Reader® as you will not be able to save your work.
6. **Important!** Applications from high school seniors must be submitted to your guidance counselor. Please adhere to all deadlines, as counselors are not permitted to accept late submissions. Section B. financial information, if submitted separately or updated through April 2, must also be submitted to your counselor. Application materials and updates from students currently attending college should be *mailed directly to the Community Foundation of Mount Vernon & Knox County*, P.O. Box 1270, Mount Vernon, OH 43050, and must be postmarked by the deadline dates to be eligible for consideration.
7. Applicants are responsible for requesting transcripts and letters of recommendation **well in advance** of the application deadline. Please exercise courtesy with faculty and administrators who likely have several letters to write. Transcripts and letters of recommendation should be submitted directly to the guidance office (for high school seniors) or to the Community Foundation (for current college students).
8. **In addition to Sections A, B (optional), and C, the following materials must be submitted:**
 - a. Official transcripts from each high school and college attended. *(Please request these ASAP!)*
 - b. A **one-page** resume in the format of your choice. Please focus upon academic honors, extracurricular activities, community service, employment experience (if any), awards and recognition. Please **do not** include any information related to physical appearance (height, weight, hair color, etc.)
 - c. A copy of your favorite college application essay (*including prompt*), no more than **one-page** in length; **or a one-page** essay describing your career goals or a significant life experience.
 - d. **Two** letters of recommendation in sealed envelopes (with your name typed on the front). One must be from a current teacher; the second may be from a teacher, administrator or extracurricular advisor.
